Complete this form and submit it to the CIAP office so that we may assist you in registering for your courses. Course registration is done through your myBama account. By filling out this form, you will not be automatically enrolled in courses but rather you will inform us of the courses you want to register for so that we can help facilitate the registration.

Make certain that you write down the course reference numbers (CRN) for alternate sections of a selected course in case the section you request is not available. Also, make certain that you have discussed with your adviser your options if all sections of a course are closed.

To adhere to immigration guidelines and regulations, Undergraduate Students should enroll in 12 hours minimum per semester. Graduate Students must be enrolled in 9 hours minimum per semester.
